PROPERTY DESCRIPTION

Remarkable attention to detail are reflected in the grounds and the handcrafted interior. This Colonial-style saltbox has the charm of a bygone era as well as the comforts and style of contemporary living. Note the transoms above the doorways, the crown moldings and the custom cupola above the screened porch. Imagine you, your friends, and family enjoying a holiday in front of the custom designed fireplace. Solitude abounds as you stroll through the gardens abutting an historic millstone quarry. Waterfall and koi pond complete this spa like setting. Two large bedrooms and tiled bath on the upper level and a third bedroom and full bath on the main level.
